2025 Primewell Provider Sections

Introduction

This directory provides a list of Primewell's network providers for Marketplace/Exchange members living in the state of Mississippi.

You will have to choose one of the network providers listed in this directory to be your Primary Care Provider (PCP). Generally, you must get your health care services from your PCP. The PCP may be a provider who specializes in Family or General Practice, Internal Medicine or Pediatrics. The PCP will be the provider who will provide, arrange, or authorize all routine medical care that you may need while you are a member of our plan. If you have questions about selecting or changing your Primary Care Provider, please call Primewell's Customer Service Department.

The network providers listed in this directory have agreed to provide you with your medical, vision, and dental services. You may go to any of our network providers listed in this directory; however, some of the services you may receive are covered only if your doctor or other network provider gets approval in advance (sometimes called "prior authorization") from Primewell.

Other providers are available in our network. To access the full listing, you can visit www.PrimewellHealth.com or call Customer Service to request a hardcopy which will be mailed to you.

What is the service area for Primewell?

Individual Marketplace/Exchange plans are available in all Mississippi counties.

How do you find Primewell providers that serve your area?

This directory is sorted by Hospitals, Primary Care Providers, Specialists, and Ancillary Services. It is further sorted by state, county, specialty, and provider's name alphabetically.

If you have questions about Primewell or require assistance in selecting a PCP, please call our Customer Service department toll-free at 833-798-1440 (TTY 711). Our phone lines are open from 8 a.m. to 6 p.m. CST, Monday – Friday.
